You have 40 min in Breakout Session. **GLC supporters facilitate the session. We will continue today's task next week as well, so don't worry even if you cannot finish checking all the slides and delivery only this time.** You will find a notice on the screen 2 min before the Breakout Session finishes.

1. Screen Sharing (GLC site)

2. Students make a whole presentation with slides first.

3. GLC supporters ask questions or advise them how they can improve their slides and delivery.
